SPOTLIGHT

WE ARE RECRUITING DRIVERS, HEAVY VEHICLE MECHANICS AND APPRENTICES NOW!

Start your journey with Ireland's most customer-centered, sustainable transport company.

Mechanics

Our maintenance teams keep our fleet running smoothly and we are justifiably proud of our safety record. They look after our fleet of buses and coaches, making a real difference to our customer experience. With a fleet of 1,150 buses and coaches based at 16 depots, operating across c.225 routes, we're looking for craftworkers like you who put pride and perseverance into your job ensuring our vehicles always run efficiently, look their best and are well maintained and presented. We offer regular hours in well-equipped garages. Join our Heavy Vehicle Mechanic team and have a hand in Ireland's future.

[Apply Here.](#)

Drivers

Our drivers are the public face of Bus Éireann, every day serving our customers, young and old, in the spirit of our values. When you step into the Bus Éireann uniform, you become an ambassador for the brand. You believe in our vision to put customers at the heart of what we do every day, safely connecting our customers with who and what matters to them, helping to make life better. We have a Professional Bus Driver Training Programme in Dublin, Cork, Limerick, Galway and Waterford. The minimum requirement is a car licence. Initial training will be provided as well as ongoing training and development when you join our team.

If you like variety in your work, and you care about getting your job done well, then you'll thrive in this part of the operation.

If you believe in providing an excellent customer experience then a career in Bus Éireann could be for you.

Construction Courses

NZEB Awareness Workshop

(Nearly Zero Energy Building) Fundamental Awareness is certified training for more energy-efficient homes/commercial buildings.

Plastering Skills (Basics)

Attain a Level 2 NVQ Diploma in Plastering (equivalent to Level 4 on Irish NFG) with this course, which is designed to help you develop the essential skills required to become a skilled plasterer.

Retrofit Insulation Skills

The course teaches participants about building insulation best practices, covering internal, external, floor and roof insulation, as well as making a building airtight to reduce energy loss.

Dry Lining Diploma

Dry lining is an innovative interior construction technique used mainly for walls and ceilings. It sets itself apart from traditional wet plastering, and is often viewed as a faster, cleaner, and simpler alternative.

Floor & Wall Tiling/Painting & Decorating

The goal of this course is to equip students with the necessary knowledge, skills, and expertise to become proficient at painting, decorating, and tiling floors and walls.

Pre-Apprenticeship Construction Skills

The program provides trainees with a chance to experience various trades and ultimately pursue their chosen Craft Trade Apprenticeship.

- Painting
- Wall & Floor Tiling
- Plastering
- Carpentry & Joinery
- Plumbing
- Electrical
- Bricklaying
- Groundworks
- Healthy & Safety
- Maths
